

2010 Annual Conference

“The Child as a Whole:

Piecing Together the Partnership Puzzle”

The New Jersey Alliance for Children, Youth and Families is pleased to present our 2010 Annual Conference: *“The Child as a Whole: Piecing Together the Partnership Puzzle”*. The conference will focus on integrating services and strengthening partnerships across New Jersey’s Children’s System of Care.

Dr. Nadezhda Robinson, Director, Division of Child Behavioral Health Services will provide opening remarks. Keynote speaker, Dr. Buzz Mingin, will inspire participants to be dynamic members of each child and youth’s team to accomplish our shared goal - improving the lives of the children and youth we serve.

Please visit <http://www.njacyf.org> to respond to our Call for Presenters.

Sponsorship opportunities are available.

Conference brochures will be available in February.
